VERIFIED COMPLAINT

THE PLAINTIFF, Dollamur, L.P. ("Dollamur" or "Plaintiff") states its cause of action against Defendant as follows:

NATURE OF THE ACTION

This is an action at law and equity to remedy acts of: (1) trademark infringement under 15 U.S.C. §1114; (2) unfair competition under 15 U.S.C. §1125(a); (3) infringement and unfair competition under the Tennessee Trademark Statute, Tenn. Code Ann. §47-25-512 and §47-25-513, and the common law of Tennessee; and (4) deceptive trade practices and unjust enrichment in violation of the Tennessee Consumer Protection Act, Tenn. Code Ann. §47-18-104, *et. seq.*, and the common law of the State of Tennessee.

THE PARTIES

1. Plaintiff Dollamur, L.P. has its principal place of business at 3100 West End Avenue, Suite 500, Nashville, Tennessee 37203. Dollamur manufactures high-performance sports surfaces for wrestling, all forms of martial arts, cheerleading, gymnastics, and health and

fitness all of which it markets under its highly successful FLEXI-ROLL® brand. Plaintiff Dollamur, L.P., which is located in Nashville, Tennessee, owns all intellectual property at issue in this lawsuit.

2. The Defendant, Tiffin Athletic Mats, Inc. (hereinafter "Tiffin" or "Defendant"), a Maryland corporation, is located at Triumph Industrial Park, 505 Blue Ball Road, Elkton, Maryland 21921. Its resident agent is William F. Riddle, Esq., 204 East Main Street, Elkton, Maryland 21921. Like Plaintiff, Defendant sells all types of sports mats.

JURISDICTION AND VENUE

3. This Court has jurisdiction over the subject matter of this action because this action arises under the Federal Trademark Act, 15 U.S.C. §§1051-1127, and jurisdiction is conferred in accordance with 15 U.S.C. §1121. Supplemental jurisdiction over the causes of action under Tennessee law is proper because they are substantially related to those causes of action over which the Court has original jurisdiction, pursuant to 28 U.S.C. §1337.

4. Venue is proper in this Court because a substantial part of the events giving rise to the claims asserted occurred in this district and, upon information and belief, additional acts of infringement will occur in this district unless promptly enjoined by this Court.

THE FACTS

5. Plaintiff Dollamur manufactures and sells various types of high-performance sports mats and supplies, including those used for wrestling, all forms of martial arts, gymnastics, cheerleading and health and fitness. These products are sold under the FLEXI-ROLL® trademark.

6. Plaintiff Dollamur owns U.S. Trademark Registration No. 3069679 for FLEXI-ROLL, used in connection with gymnastics, cheerleading mats, and gymnastic tumbling mats

(the “Mark”) since September of 2002. In addition, Plaintiff has used a component of the Mark—FLEXI—on these same products (as well as those within Plaintiff’s reasonable zone of expansion) since at least August of 2001. A copy of Plaintiff’s registration, which is dated March 21, 2006, is attached as **Exhibit A** and is incorporated by reference.

7. Registration No. 3069679 for the mark FLEXI-ROLL is conclusive evidence of the validity of the registered mark, Plaintiff’s ownership, and Plaintiff’s exclusive right to use the Mark in commerce on or in connection with the goods identified in the registration, as well as on closely related goods upon which Plaintiff has used the Mark and within its reasonable zone of expansion.

8. Plaintiff’s Mark has been consistently used and branded in print and other media advertising in connection with its high-performance sports mats for more than seven years. Plaintiff has invested in excess of \$1,297,000 in advertising and promoting the goods and services under the Mark. Based on its extensive, exclusive and continued use of the Mark, consumers have come to recognize the Mark and to associate and identify FLEXI-ROLL exclusively with Plaintiff Dollamur for the provision of high-performance sports mats.

9. Plaintiff sells its products through sales representatives, brochures, and the internet, including an ebay store. A copy of part of the relevant portions of Plaintiff’s website (www.dollamur.com/) and ebay store is attached hereto as **Collective Exhibit B**. Upon information and belief, Defendant also sells its sports mats through the same channels. A copy of the relevant portions of Defendant’s website (www.tiffinmats.com) and ebay store is attached hereto as **Collective Exhibit C**.

10. At one time, Defendant was a dealer of Dollamur’s products. However, this relationship deteriorated when Defendant fell behind on its payments to Dollamur. In March of

2007, it became necessary for Plaintiff to terminate its relationship with Defendant. At the time Plaintiff terminated the dealer relationship with Defendant, Defendant owed Plaintiff Dollamur as much as \$208,000. Plaintiff sued Defendant in Maryland state court because of Defendant's failure to pay its debt to Plaintiff Dollamur (the "Maryland Litigation").

11. During the Maryland Litigation, Plaintiff became aware that Defendant was improperly using the Mark on Defendant's cheerleading mats. Consequently, Plaintiff sent Defendant a cease and desist letter, demanding that its use of the Mark cease immediately. A cease and desist letter is attached hereto as Exhibit D. In response to the correspondence, Defendant changed the use of the Mark on the cheerleading mat and the intellectual property matter was informally resolved.

12. Ultimately, the litigation was settled between the parties and Defendant paid Plaintiff \$200,000 of the \$208,000 debt.

13. In the Fall of 2008, Plaintiff's representatives were attending the Educational Funding Company's International Summit in Nashville, Tennessee. This event is a trade show where martial arts school owners attend workshops and seminars for tuition management and business consulting. It is one of the largest of these types of seminars/tradeshows held annually anywhere in the country.

14. Defendant Tiffin was also attending the International Summit in an attempt to market its products to the owners of martial arts facilities, including such schools located in Tennessee. At this event, Plaintiff became aware that Defendant was once again improperly using its Mark; however, this time, Defendant Tiffin was wrongfully using the Mark on wrestling, martial arts, and fitness and training mats. In addition, Defendant is using the Mark on its website and in the meta-tags for that website.

15. The FLEXI mark that Defendant is using is substantially identical to Plaintiff's Mark. When the Mark is applied to high-performance sports mats, Defendant's name is highly likely to be confused with Plaintiff's Mark. Furthermore, it is highly likely that consumers will mistake Defendant's goods for those of Plaintiff Dollamur.

16. Defendant's FLEXI mark is so similar in terms of appearance, sound, meaning and connotation as to be deceptively similar to Plaintiff's Mark under the meaning of Section 2(d) of the Trademark Act, and will cause confusion and lead to the deception of consumers as to the origin of Defendant's goods and services.

17. Because of the long-recognized goodwill in Plaintiff's Mark, consumers are likely to believe that the goods and services offered by Defendant under this confusingly similar mark are sponsored, endorsed or approved by Plaintiff, or are in some way affiliated, connected or associated with Plaintiff.

18. Because of Plaintiff's Federal trademark registration and the parties' long association with one another, Defendant was on actual and constructive notice of Plaintiff's Mark. Consequently, Defendant knowingly and willfully adopted a mark that is confusingly similar to Plaintiff's Mark, in an effort to trade on Plaintiff's well-established goodwill in its Mark and services.

CAUSES OF ACTION

19. Plaintiff repeats and realleges each and every allegation contained in paragraphs 1 through 18 of this Complaint as though fully set forth herein.

I. TRADEMARK INFRINGEMENT AND CLAIM FOR INJUNCTIVE RELIEF

20. This cause of action arises under Section 32 of the Lanham Act, 15 U.S.C. §1114.

21. Defendant's use of the Mark as alleged above is likely to cause confusion, mistake, or deception as to the source, sponsorship, or approval of the Plaintiff in that consumers are likely to believe that Defendant is in some way connected with, sponsored or licensed by, or otherwise related to Plaintiff.

22. Defendant's use of the Mark was made with actual and/or constructive knowledge of Plaintiff's rights in the Mark.

23. Defendant's use of the Mark was without Plaintiff's consent or permission.

24. The conduct of Defendant was and is knowing, willful, and intentional. As a result of Defendant's violation of Plaintiff's exclusive rights in and to the Mark, Plaintiff is entitled to an injunction pursuant to 15 U.S.C. §1116 prohibiting the further use of Plaintiff's Mark as well as an award of Defendant's profits, any damages sustained by Plaintiff in an amount to be proven at trial and the costs of this action, all as provided by 15 U.S.C. §1117.

25. Defendant's use of a confusingly similar service mark constitutes trademark infringement under the Lanham Act, 15 U.S.C. §1114(1).

26. Finally, pursuant to 15 U.S.C. §1118, Plaintiff is entitled to an order that all labels, signs, prints, packages, wrappers, posters, flyers, and advertisements in the possession of Defendant bearing Plaintiff's Mark or any confusingly similar trademark or service mark, be delivered to Plaintiff for destruction.

27. Plaintiff is without an adequate remedy at law because Defendant's infringement has caused and will cause great and irreparable injury to Plaintiff, and unless this Court enjoins these acts, they will continue and Plaintiff will continue to suffer great and irreparable injury to its intellectual property rights and erode its long-standing goodwill in the Mark.

28. Defendant's actions constitute a false designation of origin under Section 43(a) of the Lanham Act, 15 U.S.C. §1125(a), entitling Plaintiff to an award of Defendant's profits, any damages sustained by Plaintiff in an amount to be proved at trial, and the cost of this action, all pursuant to 15 U.S.C. §1117.

29. Because Defendant's actions constitute a willful violation of Section 43(a) of the Lanham Act, 15 U.S.C. §1125(a), Plaintiff requests that the Court enter judgment for three times the amount of Plaintiff's actual damages pursuant to 15 U.S.C. §1117. Moreover, because of the willful nature of Defendant's violation of Plaintiff's trademark rights, this case constitutes an exceptional case entitling Plaintiff to an award of reasonable attorneys' fees pursuant to 15 U.S.C. §1117.

II. STATE TRADEMARK INFRINGEMENT, UNFAIR COMPETITION AND MISAPPROPRIATION

30. Plaintiff repeats and realleges each and every allegation contained in paragraphs 1 through 29 of this Complaint as though fully set forth herein.

31. This claim arises under Tennessee Code Annotated §47-25-512 and the common law of Tennessee and is to remedy acts of trademark infringement, unfair competition, and misappropriation.

32. By its actions, Defendant intends to pass off and palm off its sports mats as those offered by, approved by, sponsored by or affiliated with Plaintiff.

33. Defendant's unlawful activities constitute trademark infringement, unfair competition and misappropriation as proscribed by common law and statute.

34. As a result of Defendant's unfair competition, Plaintiff has and will continue to suffer irreparable harm for which Plaintiff has no adequate remedy at law.

35. Plaintiff is entitled to any and all remedies available under Tennessee law for unfair competition, including damages in an amount to be proved at trial, as well as preliminary and permanent injunctive relief.

36. Defendant's acts of trademark infringement, unfair competition and misappropriation have caused Plaintiff to sustain monetary damage, loss and injury, in an amount to be determined at the time of trial.

37. Defendant has engaged and continues to engage in this activity knowingly and willfully, so as to justify the assessment of increased and punitive damages against it, in an amount to be determined at the time of trial.

38. Defendant's acts of trademark infringement, unfair competition and misappropriation, unless enjoined by this Court, will continue to cause Plaintiff to sustain irreparable damage, loss, and injury, for which Plaintiff has no adequate remedy at law.

III. DECEPTIVE TRADE PRACTICES AND FRAUDULENT MISREPRESENTATION

39. Plaintiff repeats and realleges each and every allegation contained in paragraphs 1 through 38 of this Complaint as though fully set forth herein.

40. Defendant has and is engaged in acts and practices that constitute violation of the prohibition against deceptive trade practices found at Tennessee Code Ann. §47-18-104 *et. seq.*

41. Defendant has used and is using Plaintiff's Mark in such a manner as to misrepresent the source, sponsorship, approval, and/or certification of its high-performance sports mats. The use of the Plaintiff's Mark by Defendant creates the unreasonable risk that

consumers will conclude that there exists some affiliation, connection, or association between and among Plaintiff and Defendant.

42. The natural and probable effect of Defendant's use of the Mark in the manner alleged is to enable Defendant to deceive and confuse the public.

43. Defendant's use of Plaintiff's Mark in the manner alleged constitutes deceptive trade practices of the type prohibited by Tennessee Code Ann. §47-18-104 *et. seq.*

44. Defendant had actual and constructive knowledge of Plaintiff's rights at the time it decided to use Plaintiff's intellectual property in connection with the sale of its high-performance sports mats. Thus, Defendant willfully and deliberately infringed and violated Plaintiff's rights.

45. Upon information and belief, Defendant's unfair business practices are of a recurring nature and are harmful to the consumers and the public at large, as well as to Plaintiff. These practices constitute unlawful, unfair, fraudulent and deceptive business practices and unfair, deceptive, untrue and misleading advertising. Unless enjoined by this Court, Defendant will continue these acts, thereby causing Plaintiff further immediate and irreparable damage.

46. Plaintiff is without an adequate remedy at law because Defendant's acts as set forth herein are causing great and irreparable damage to Plaintiff and will continue to damage Plaintiff unless enjoined by this Court.

IV. DECLARATORY JUDGMENT

47. Plaintiff repeats and realleges each and every allegation contained in paragraphs 1 through 46 of this Complaint as though fully set forth herein.

48. There is a substantial controversy between these parties in that Plaintiff has alleged Dollamur has rights in the Mark and that Defendant has engaged in conduct that

constitutes infringement of the Mark. Defendant's use of the Mark for high-performance sports mats has been alleged as an act that irreparably damages Plaintiff's intellectual property rights. Plaintiff has further alleged that this conduct has caused and will continue to cause damage to them if the conduct is not enjoined.

49. The parties have adverse legal interests of such sufficient immediacy and reality that this Court should declare that Plaintiff has rights in the Mark and that Defendant's use and proposed use of a confusingly similar mark constitutes an infringement of Plaintiff's rights.

REQUEST FOR JURY TRIAL

50. Plaintiff hereby makes a demand for a trial by jury pursuant to Rule 38 of the Federal Rules of Civil Procedure as to all issues so triable.

PRAAYER FOR RELIEF

WHEREFORE, Plaintiff prays that:

1. The Court finds that Plaintiff has valid and existing rights in the Mark described in this Complaint and that Defendant's conduct as described herein constitutes an infringement of Plaintiff's valuable and incontestable intellectual property rights;
2. The Defendant be held liable under each claim for the relief set forth in this Complaint;
3. The Court set this matter for a Preliminary Injunction Hearing;
4. The Court enjoin the Defendant, its agents, servants, employees, and attorneys and all other persons in active concert or participation with it, from using Plaintiff's Mark (whether used alone or in combination with any words, punctuation or symbols, and whether used in connection with additional captions, text, or otherwise), and any other reproduction, counterfeit, copy, colorable imitation or confusingly similar variation of such Mark, as a

trademark or service mark, or any advertising, distribution, sale, or offering for sale of Defendant's products and/or services in any medium or manner whatsoever;

5. The Defendant be required to pay to Plaintiff all damages it has suffered by reason of Defendant's unlawful acts set forth herein, together with legal interest from the date of accrual thereof;

6. The Defendant be required to account for and pay to Plaintiff all profits wrongfully derived by Defendant through its unlawful acts set forth herein, together with legal interest from the date of accrual thereof;

7. The Defendant be required to pay punitive damages to Plaintiff, as determined by this Court, for Defendant's deliberate and willful trademark infringement and unfair competition;

8. The Defendant be required to pay to Plaintiff treble damages for the injury Defendant has caused under Tennessee's Consumer Protection Act;

9. The Defendant be required to pay to Plaintiff its reasonable attorneys' fees and disbursements incurred herein, pursuant to 15 U.S.C. §1117, Tennessee statutory law, and the equitable powers of this Court;

10. The Defendant be required to pay to Plaintiff the cost of this action; and

11. This Court award Plaintiff any such other and further relief that it deems just and equitable.

VERIFICATION

Along with a standard-size mat with competition circles, a 5/8" mat with practice circles can be used to create a 2", two-sided mat. (Note: 5/8" products should only be used in conjunction with additional mats or padding and should not be used as stand alone mats.)

Introducing the quickest and easiest mat ever made! One person can set-up or break down a 42' X 42' Dollamur Flexi-Roll® mat in just minutes. Even a preschooler can unroll a section! You'll get the same great performance of our regular rollable mats chosen for years by top gymnastics and cheerleading programs. The same high performance sports foam, the same durable carpet and the same state-of-the-art bonding method. The best just got better!

*Flexi-Roll® is a registered trademark of Dollamur, LP

The Carpet

Strong Needle-Punch Carpet - This is the strongest carpet used anywhere in the industry, yet it is soft, with the touch of velour. The polyolefin fibers are not stringy and cannot be pulled out by velcro, a problem common to less expensive and lighter weight carpets. Similar products may look similar, but lighter weight 10-14 oz. carpets simply do not provide the quality, durability and performance of our tough 26 oz carpet.

The Foam

Two Outstanding Foam Choices - Standard Cross-Linked Polyethylene & High Performance Tri-Flex® Dollamur Rollable Carpet Floors are manufactured with closed-cell, cross-linked polyethylene foam, renowned for its shock absorption and resiliency. It's proven to substantially outlast non cross-linked foam, as its cell structure will not breakdown under repeated compression. Other polyethylene foams may look and feel like ours, but without its unique chemical composition, they are unable to provide the shock absorption and resiliency that gymnasts and cheerleaders demand of their training and competition floors.
Our Tri-Flex® floor goes even further. By combining our exclusive cross-linked polyethylene formula with EVA foam, we have created the fastest, liveliest and most dynamic rollable floor in the world.

The Bond

Virtually Indestructible - Our foam layers are heat laminated to our famous needle punch carpet for outstanding durability and non-slip traction. The bond between the carpet and foam is critical. During manufacturing, the surface of the foam is liquefied and then cooled, the carpet and foam substrates actually become one piece, creating a permanent, virtually indestructible bond.

Lightweight and Portable

Dollamur's Cheerleading and Gymnastics mats are lightweight, easy to transport and easy to roll into position. Individual rolls may be easily and safely carried by just two people, and a full floor can be moved and set up in a matter of minutes.

Re: FLEXI-ROLL®/Trademark Infringement

To Whom It May Concern:

This firm represents Dollamur, LP ("Dollamur"), owner of the mark **FLEXI-ROLL®**. Dollamur is also the owner of U.S. Trademark Registration No. 3,069,679 for **FLEXI-ROLL** for use in connection with "personal exercise mats" and "sporting mats, namely, gymnastic mats, cheerleading mats, and wrestling mats" (the "Mark").

It has come to our client's attention that Tiffin Athletic Mats ("Tiffin Athletic Mats") is using the names "Flexi Roll" and "Flexi Sport Rolls" as trademarks and brand names in connection with its gymnastic and cheer-floors. A copy of Tiffin Athletic Mats' email advertisement dated May 15, 2007 is enclosed herewith. The advertisement appears to include a Dollamur **FLEXI-ROLL** mat in the picture. In addition, the terms "Flexi Sport Rolls" and "Flexi Roll" are used on the Tiffin Athletic Mat website at www.tiffinmats.com and in the metatags for the website. Printouts from the Tiffin website are enclosed.

Please be advised that we view Tiffin Athletic Mats' use of the designations "Flexi Roll" and "Flexi Sport Rolls" in connection with its floor systems and mats as a serious infringement and dilution of our client's valuable trademark. The unauthorized use of an identical mark and a nearly identical mark on identical goods will cause confusion as to the source of origin or sponsorship and/or dilute the distinctiveness of our client's Mark. Tiffin Athletic Mats' use of the terms "Flexi Roll" and "Flexi Sports Roll" also will diminish the ability of our client's Mark to identify Dollamur's exercise and sporting mats and constitutes an infringement of our client's intellectual property rights in its Mark, unfair competition and false designation of origin in violation of the Lanham Act and applicable federal and state intellectual property laws.

EXHIBIT

Such a willful attempt to trade on our client's goodwill entitles Dollamur to injunctive relief, compensatory damages, punitive damages, costs and attorneys' fees. In view of the foregoing, we make the following demands:

1. Immediately and permanently cease any and all further use of the designations "Flexi Roll" and "Flexi Sports Roll" in any manner whatsoever, including without limitation, on any advertising, on your website, and in your metatags;
2. Provide us with proof that you have ceased from using or otherwise exploiting any trademark or other name that is likely to cause confusion with Dollamur's Mark or suggest an association or affiliation with Dollamur or its products;
3. Provide us with a full accounting of all advertising that has been placed in whatever media bearing the names "Flexi Roll" and "Flexi Sports Roll"; and
4. Provide us with a full accounting of all products bearing the names "Flexi Sports Roll" and/or "Flexi Roll" that have been sold, including a list of all used or new Dollamur products that have been sold by Tiffin Athletic Mats using the "Flexi Roll" and "Flexi Sports Roll" names.

We ask for your response by June 8, 2007. Should you fail to respond to this letter and extend your cooperation by complying with the requests outlined above by this date, we will take action with respect to your unauthorized use in accordance with instructions received from our client and without further notice to you. Dollamur reserves all rights in the event this conflict is not amicably resolved.

If you or your counsel have any questions about the foregoing, you may contact us at (615) 742-6200. We look forward to a prompt and positive response.

Sincerely,

Robert L. Brewer

Flexi Sport Roll Carpet Foam

The unique way that the Flexi Sport Roll floor rolls up makes this system revolutionary. One person can easily roll-up or roll-out a Flexi Sport Roll section or entire floor. The rolls are not flipped before or after rolling. The rolls practically unroll themselves!

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

I. (a) Plaintiffs-Defendants. Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.

(b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)

(c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

II. Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.C.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.

United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.

United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.

Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.

Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; federal question actions take precedence over diversity cases.)

III. Residence (citizenship) of Principal Parties. This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

IV. Nature of Suit. Place an "X" in the appropriate box. If the nature of suit cannot be determined, be sure the cause of action, in Section VI below, is sufficient to enable the deputy clerk or the statistical clerks in the Administrative Office to determine the nature of suit. If the cause fits more than one nature of suit, select the most definitive.

V. Origin. Place an "X" in one of the seven boxes.

Original Proceedings. (1) Cases which originate in the United States district courts.

Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.

Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.

Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.

Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.

Multidistrict Litigation. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407. When this box is checked, do not check (5) above.

Appeal to District Judge from Magistrate Judgment. (7) Check this box for an appeal from a magistrate judge's decision.

VI. Cause of Action. Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553
Brief Description: Unauthorized reception of cable service

VII. Requested in Complaint. Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.

Demand. In this space enter the dollar amount (in thousands of dollars) being demanded or indicate other demand such as a preliminary injunction.

Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.

VIII. Related Cases. This section of the JS 44 is used to reference related pending cases if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.
